

Geschäftskonto CHF/EUR/FW

The banking solution for your payments, and foreign exchange and investment transactions

The Geschäftskonto provides you with an account for your business payment transactions in Swiss francs, euros or any other foreign currencies. In addition, we offer you solutions to help you optimise your cash management, advise you on capital and financial investments, and can also hedge your interest and currency risks if you wish.

Who this is for

- Businesses
- Cooperatives
- Public-law bodies
- Corporations and parish bodies
- Condominium owner and co-proprietor companies
- Operative foundations
- Associations with commercial purposes

How you can benefit

Luzerner Kantonalbank does more than simply support your payment transactions and help you optimise your cash management - we will also help you become self-employed, expand your company, and settle succession issues. No matter what decisions you are facing, we are on hand as your professional partner. And with our extensive network, where necessary we can refer you on to tried-and-trusted specialists.
